I give permission for my child to participate in aquatic activities at camp including instructional and free swim. I give my child permission to carry and use sunscreen and insect repellent during the camp season.

I understand that the Camp will make my email, phone number and mailing address available to the camp population for carpool and play date purposes unless directed otherwise in writing. The camp is given irrevocable permission and authorization to use the child's photograph, portrait, or image in connection with the camp's brochure, web site, video or any other means of promotion or advertising.

Purchase Day Camp reserves the right to refuse the enrollment of any child or to cancel this enrollment agreement at any time based on its sole and exclusive determination that the child's physical, mental, or emotional condition, would prevent that child from participating safely and satisfactorily in the programs offered; would prevent the child from interacting positively with other campers or TEAM Members; or would negatively impact on Purchase Day Camp's ability to offer its fundamental services. The Camp can initiate the cancellation of this agreement and the dismissal of the child if, during the camp season, the child or his/her agents exhibits unacceptable behavior which prevents our TEAM Members from safely supervising him/her or proves detrimental to himself/herself, other campers or TEAM Members as determined by the Camp Director.

Purchase Day Camp is required to obtain a permit to operate from the New York State Department of Health. The Camp is also required to be inspected twice each year by the permit issuing authority. Information concerning these inspections is filed with the Westchester County Department of Health, Bureau of Public Health Protection, 25 Moore Avenue, Mt. Kisco, NY, 10549.

I enroll my child for the 2026 camp season and agree to the Release accompanying this application and the policies as stated herein.
